**Re: Rules Governing Wireless Licenses in the 698-806 MHz Band, WT Docket
No. 99-168**

Dear Ms. Dortch:

The purpose of this letter is to disclose a permitted *ex parte* contact in the above-referenced matter. On Monday, April 23, 2007, undersigned counsel, on behalf of Centennial Communications Corp., met with Ms. Angela Giancarlo of Commissioner McDowell's office to discuss Centennial's positions with respect to the band plans proposed for licenses to be offered at auction. We discussed Centennial's preference for smaller licensed areas and the company's desire that the Commission not make a tentative conclusion regarding the competing plans now under consideration.

Please contact the undersigned if you have any questions about this matter.

Very truly yours,

CENTENNIAL COMMUNICATIONS CORP.
